36th Guam Legislature United in Support of the Guam Fishermen's Co-op

FOR IMMEDIATE RELEASE (April 30, 2021 – Hagåtña, Guam) – Below is a statement from Speaker Therese Terlaje on the unanimous passage of Resolution 63-36 (COR) *Relative to respectfully requesting the United States Congress to support Community Project Funding for the construction of an expanded Guam Fishermen's Co-op Facility and the correlating expansion of Guam's community fishing industry.*

"I want to thank my colleagues on both sides of the aisle for uniting as a sole voice to pass this resolution. This type of collaboration raises the standard of expectation of the people we serve when we work together for a common goal. I look forward to transmitting this to Congressman San Nicolas and will continue to offer support for this effort in any way I can.

I am hopeful that our collaborative efforts will bring the needed resources for this critical expansion that has been and will continue to be an important central place for commerce and culture on our island."
